

PraxisAI Verified Project Credential

VALID	SIGNATURE VERIFIED	DEMO ENVIRONMENT
-------	--------------------	------------------

Awarded to

Amina Noor (Fictional)

For verified work as **student developer** on **Private client project**.

Implemented the approved reporting workflow and supplied automated acceptance evidence for coordinator review.

Verified hours	20.00
Client accepted	2026-07-30T10:00:00+00:00
Completed	2026-07-30T12:00:00+00:00
Credential ID	DEMO-CREDENTIAL-NOT-FOR-PRODUCTION

Quality evidence

Passing QA is bound to the immutable demo artifact; deterministic evidence checks passed.

Verified skills

Accessible frontend engineering - Keyboard workflow acceptance criterion: Automated and human-reviewed evidence confirms keyboard access through the primary workflow.

Test automation - Primary workflow completion criterion: Persisted test evidence covers the approved workflow and tenant boundary.

Scan to verify the current signature and revocation status.
